

PRESENTING JET SERIES  
**EXPERIENCE**  
**2-MINUTE CRISPING\*#**  
**AND ZERO OIL\* COOKING**  
 with 6<sup>TH</sup> SENSE® *Crisp&Bake* Technology

**6<sup>TH</sup> SENSE® Crisp&Bake TECHNOLOGY**

The 6<sup>TH</sup> SENSE® *Crisp&Bake* Technology helps deliver perfect crisping and baking results in 2 minutes\*#.

**6<sup>TH</sup> SENSE® HUMIDITY SENSOR**

Monitors the moisture variations in the food and automatically adjusts the cooking time to prevent under or over cooking.

**6<sup>TH</sup> SENSE® WEIGHT SENSOR**

Senses the weight and automatically sets the ideal cooking parameters.

**6<sup>TH</sup> SENSE® STEAM TECHNOLOGY**

Steam technology allows to prepare the healthiest and tastiest recipes with the touch of a button.

**3D DUAL DISTRIBUTION**

Special distribution system that allows even flow of heat for uniform thawing, heating and cooking.

\*Results shown are based on internal lab testing done on select models under specific conditions and may vary depending on testing conditions.  
 #In crisp pan only.
