INSTACHILL REFRIGERATORS

190 L CAPACITY

INSTACHILL REFRIGERATORS

215L CAPACITY

TOUGHENED GLASS SHELVES

The shelves can hold heavy vessels and vegetables that weigh up to 150 kg.

LARGE INTERIOR STORAGE

You can store vegetables, fruits, and food items for days in this refrigerator that comes with a large interior.

JUMBO VEGE BOX

You can neatly keep your vegetables and fruits organised in the Jumbo Vege Box.

POWER CUT EVO-CHILL TECHNOLOGY

This cooling retention technology ensures that your ice creams do not melt even during power cuts.

SEASONAL TEMPERATURE SETTING

This feature lets you adjust the cooling settings of this refrigerator as per the season.

FASTEST ICE MAKING

This refrigerator makes ice in no time. So, your summer house parties do not run out of ice.

ANTI-BACTERIAL REMOVAL GASKET

The gasket helps to maintain a hygienic environment inside this appliance. It is easily removable and prevents fungi and bacteria from entering this refrigerator.

FLORAL DESIGNER DOOR

The artistic floral design makes it a visually appealing and elegant home appliance.

ENVIRONMENTAL FRIENDLY

The refrigerant used in this appliance does not use chlorofluorocarbons or hydrochlorofluorocarbons.
As a result, it helps protect the ozone layer.
